Happy new year! Thanks for this update. Do you have everything from the other divisions or are you waiting for comments on certain documents? I want to be able to mention what is pending at OPP staff meeting this morning. Thanks!

Subject: Aldicarb Status Update

Happy New Year's Eve,

Debra and I spent the morning reviewing the labels and cleaning up/updating the Terms and Conditions based on the guidance we received from OGC. Yesterday we sent management and the team links to the draft Decision Document, draft Q&As, and draft Terms and Conditions. Currently we have not received any additional comments on these documents.

The last comments on the FR were received in December 21st, at this time there are only 16 comments (a few duplicates were identified).

Since we are still waiting for the team to review the documents and add comments, we are logging off and will come back to everything Monday morning.

We hope everyone has a safe and happy transition into 2021.

Best regards,

Debra and Shanta
